1 - Extract the zipped files into a folder. 2 - Install the game. 3 - Copy the contents of the Crack folder. 4 - Play. What's New in this Version : Add more new maps and monsters. Update the UI This is a game that i've played a lot in the past and i'm happy to have this with all the updates and improvements. Its kind of a mix of Diablo 3 and Skyrim which was good to start off with since i really liked those two, I think this game will have a lot of potential and it's the kind of game that you can play for hours on end and unlock new stuff which is nice. The simple gameplay with puzzles is really entertaining to take on even for a huge RPG like this. The game looks pretty good and i enjoyed the soundtrack aswell. If you liked Diablo 3 or Skyrim then you should try this out with all the changes, the best way to find out for yourself is to actually go play it with new weapons and skills to see what the game is really like. How can i Play it? The game has a DRM free version and you can actually download the game for \$4.99 on Steam, it's cheap to buy and worth it. This game is most definitely worth it as it's a nice mix of an RPG and 3rd person action RPG with all the skill trees and a skill system which really adds a nice variety to the game. If you liked Skyrim then this game will be a lot of fun for you and you don't need to be a hardcore RPG player to enjoy it. i'm glad i decided to

pick this game up and i definitely recommend it. Greetings, The story is that someone has stolen a mystical object called the Eye of elden. This eye can be used to make a replica of the head of elden and that head can be used to turn the user into a elden lord. Of course a pissed off elden raises a army and attacks the player with hordes of enemies, but you can also take on other players in online play, that is a unique aspect of this game. you start off as a mundane guy, but you are given three task at the start of the game that you have to complete. 1) Meet with a man named Aeolus, who can take you to where the eye is, if you follow his teachings you will be
