

----- The eternal fantasy of the hero begins. The hero leaves home to follow the destiny that he meets. Even if the hero is searching for the Holy Sabers, he encounters various adventures and situations. It is a galgame with RPG elements, and is full of giggle. In the journey, the hero will get advice from the Holy Saber, and gradually learn the "secret" of Eternal Fantasy. The main character is a protagonist for the first time in a galgame. He is a swordsman who is very strong in his body. However, when he is slapped in the face, he can turn into a girl. The strength of his body grows and he can attack with his own body. For now, the strength is on a different level from other types of heroes. Even the strength of another heroine is stronger than the strength of the hero. What Are The Many Features of Eternal Fantasy? ----- 1. The strength of body and female costume In the first place, Eternal Fantasy has a unique feature; you can change the strength of his body and female costume. You can change into a hero who is level 7, 18 or 27. 2. The skills of Holy Saber In Eternal Fantasy, you can select skills from hundreds of types. There are at least 50 skills in a heroine. The skills function freely. 3. The skills of the Holy Saber. Depending on your item equipped, you may experience different skills. Unlike other games, there are no fixed types of skills. 4. The merits of heroine and warriors There are several different types of attributes required to become a hero. If you put effort in research and battle, your hero will rise. 5. Setting customization Eternal Fantasy has a setting that is customizable. It is possible to change the setting as you want. You can change the date to make the story fit your liking. And more, there are unique items that show your ability to use them. 6. Gorgeous girls There are more than 2,000 different girls. For now, there are no restrictions to the number. The girls' beautiful appearance and the loving relationships the girls have with the hero is the main contents. ----- Characters: ----- The hero: The hero is a strong young swordsman who changes sex. During the adventure, he is told by the Holy Saber that he is a "Hero of Sealing Monsters" (In Japanese, 封印の勇者)

Stunt Kite Party is a fun kite-flying game for everyone to enjoy. The game consists of 5 different levels in which you have to compete in. The mechanics of the game work by the mechanics of connecting two objects (kite and ground) together. You can use your kite to fly in the direction you want and connect with the ground. Sometimes you'll hit obstacles on your way and you'll either be able to make it through by using your reflexes or letting go of the kite with which you tried to avoid the obstacle. How to Play: Touch screen to drag and release your kite. That's it, that's the whole story! Suitcase Monster Suitcase Monster is a game where you navigate a monster on a suitcase and launch yourself out of the suitcase and into the air. The overall objective of the game is to kill all the monsters, score as many points as possible and stay alive. **The McCall brothers are assassins, originally hired to take out one of the brothers' bosses. An unfortunate but inevitable event left the brothers to start taking out the bosses together. They're not a team, but they have a bond, and that bond has been tested more than once by their employers, who want them dead. But now, if they don't come to the aid of a family they never knew, they may lose them forever.
