This study was designed to identify factors that may predict residential isolation in institutionalized elderly persons. We studied a sample of 90 elderly persons from a continuing care retirement center who were living in a main residence on the day of interview. Caregiver interview data regarding each participant's physical health, social networks, social support, and housing environment were collected. Demographic, living arrangement, cognitive, and functional status data were abstracted from the participant's medical records. Interviews took place at each participant's housing unit. Seventy-nine percent of the participants were living in a single-occupant

residence, 72% had dementia, and 51% had a diagnosis of behavioral disturbance. No factors were found to predict residential isolation. Most of the participants lived in either their own house or in a continuing care

Elden Ring Features Key:

Enhanced Action and Combat: Move faster, easily select a "hit location", and take in information more quickly. Dash, use special attacks, and chain your moves for the most effective combos.

Action-Packed Combat: Battle many enemies at the same time, demolish them with powerful attacks, call down gigantic monsters from the sky, and solve complex puzzle elements as well.

A Huge World and an Epic Drama: Explore the vast world of the Lands Between, where many amazing places await discovery. Fight your way to the truth... and it's all about CLASH!

Customize and Explore: Customize your character, equipping weapons and magic, and explore the world beyond. As you explore, the joy of discovering unknown and overwhelming threats awaits you, leading to a high sense of accomplishment. Develop your character according to your play style by pursuing muscle-building and magic.

Create a World of Your Own: The game expands far beyond the story written at the start, allowing you to freely change and modify the world around you.

A Divine Drama Born from a Myth: A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. The story of the world is centred around a single character who stands at the centre of the Lands Between, and this character conveys your own thoughts and emotions.

Open-ended Multiplayer: Discover and create the ultimate story for everyone to participate in.

Asynchronous and Real-time Multiplayer: Play anywhere, anytime and enjoy the game at your own pace. Enjoy the presence of other players and create your own open story. Even when someone else is working on the same area, you can continue your story and enjoy the situation around you seamlessly.
