

On 10/17/18, FIFA 19 was released and was available to purchase for PS4, Xbox One, Nintendo Switch, PC and Android. Now, on the heels of the release of FIFA 19, FIFA 22 is scheduled to be released on 11/17/18. This year's edition includes:

- The all-new "Hybrid 3D/VIRTUAL Intelligence" system that combines the most accurate and realistic elements of physics-based simulation and the speed of in-game, action-oriented gameplay to deliver a unique player control experience like never before
- Line-breaking artificial intelligence in all areas of the pitch, making opponents react and compete just like real players
- "Spectator Camera" that brings a new level of immersion to interactive gameplay
- "Visual Impact" (V.I.P.) mode that allows players to view their shots and "stiff" passes as a 3D animated experience
- An arsenal of new challenges, rewards and milestones It's never been easier to create your own player and customise your football experience. FIFA is the world's biggest, most authentic and popular video game franchise. Thanks to our passionate fans, FIFA is the biggest sports brand in the world. FIFA is a legend. Since its debut back in 1991, FIFA has been played by hundreds of millions of people across over a dozen titles. The core of FIFA is built on the rich history and tradition of football. Players make use of momentum, speed, passing, shooting and an array of other tactics and skills to make their way through rival squads and dominate the ball. The beautiful game evolves year on year with our legendary players, who from that moment on - and in every single FIFA game - will be as popular as players of the real game. FIFA is driven by passion. At its heart lies our devotion to the beautiful game. Every day we devote resources to this ambition, and strive to create the best possible football experience. FIFA is global. Our players come from 190+ countries across the world, and fan communities from all corners of the world support FIFA even if their local club doesn't exist. FIFA is dynamic. FIFA offers fans the most fluid gameplay in the history of video gaming. Every year brings fresh challenges and gameplay innovations to keep our game fresh and exciting. FIFA is a sport. While FIFA does have football, it is also an incredibly diverse gaming experience. The game can be played and enjoyed by football fans from all around the world, regardless of their abilities on the pitch. Now it's your turn. Get into the game. **Free Fifa 22 [Mac/Win] (2022)**

The FIFA simulation has been loved by fans for over 25 years, and now, in FIFA 22, you can experience the most authentic version of the game - Powered by Football™. FIFA 22 is the first game in the series to feature a re-engineered engine, cutting edge gameplay and bringing simulation closer to the real thing. Discover the new breed of player on the ball. Dynamic physical motion with the most accurate and realistic gameplay around. Ultimate freedom to build teams from scratch and deploy strategies using every player in a World Cup or European Championships or professional league. Movement control on the ball is refined. Attackers now have more control to better position themselves for a shot and secure their head while defenders must play more technical passes. Defenders now have more control and can stop shots on the ground or with their feet. Lifestyle tools such as coaching and roster management feature high fidelity content and control. Expanded and refined Ultimate Team. With the addition of new leagues and features such as Draft Champions and the Ultimate Eleven offer a whole new way to create and manage teams. Character license owners can now design their own players and make them available to the Ultimate Team. Most full body goalkeeping animations now include foot and fist punching, shoulder taps, rakes and blocks on the goalline. The most realistic accurate player animations the game has ever seen. New control over free kicks. Where in previous games a free kick was a simple tap of your button, in FIFA 22, using the right stick, you can even flap your arms on a free kick. New animations, advanced controls, free kicks and more show FIFA in an even more realistic light. 22 authentic stadiums re-designed and re-engineered for the most realistic gameplay in an all new presentation. New Career Mode: create your own global superstar. Build a squad on your favorite club, unleash your imagination and enjoy one of the deepest Football Leagues in gaming! Build your squad. Select from one of 6 leagues and manage the club in a full season of matches. Run your team to glory by signing and developing your squad including player trading and transfer activity. Build a team around your favorite player and take him on an exciting journey. Play as a squad of 25 in all sorts of different game-modes. From title-matches to classic matches, an easy trick-match to a crazed Ligue 1 title match.
