
Whateverland: Prologue Crack Full Version Activation Code

Move and work your way through this emotionally immersive puzzle platformer with a unique narrative and stylized art style. In a tree house, a boy called Tom has six sisters, and they have to figure out their way out of the house. Your main goal is to help Tom and his sisters to find their way out of the house, but you are also going to have to navigate the tree house from one side to another and get objects and stuffs to progress the story. Features: - Beautiful, hand-drawn art style and animation - Unique narrative driven with heart and passion - Music, sound design and ambient sounds - to feel immersed in this world - You can interact with all objects in the game - Dynamic branching system with multiple endings - Puzzles of various kinds: puzzles to solve, brain-teasers, riddles and tower of "Tic-tac-toe" - Hidden extras like a journal and tokens

Features - Beautiful, hand-drawn art style and animation - A boy called Tom has six sisters and they are in a tree house.
