A number of displaced residents said, "The Iraqi Army advanced their lines towards the eastern bank of Mosul, and some of them breached ISIS' defenses. However, ISIS is using the houses of residential areas to protect its forces. We can hear that they are firing mortar shells in residential areas." "The Iraqi soldiers are well aware of the existence of ISIS' defense lines, and that they can penetrate them in some areas. ISIS put all its forces in the most dense areas, and it has been our failure to prepare for the battle. The Iraqi soldiers have been here for six months, and they are increasing their pressure on the ISIS' defense lines," he added. In addition to this, the families said. ♦
