I'm trying to call this PHP function from inside an AJAX request, but I'm getting an error. I've also tried this on the same page, but with no effect. I've tried this: `window.location.href = ""`; and this: `document.location.href = ""`; But I'm getting an error: Uncaught SyntaxError: Unexpected end of input `script.php?call=example` This error is from my AJAX request. So it's from the PHP server when it gets the request, but then it won't even reach the PHP server, just somewhere before that (probably before JS is parsed). A: Try this, it might 6d1f23a050
