**Digital Image Processing Book By Poornima Thangam  
Free 28**

She is a research scholar in the Department of Computer Science and Engineering. Her research interests include Image and Signal Processing with a special interest in image retrieval, object

---

categorization, feature extraction, and feature based image and video analysis. Sai

Prathameswaran is a senior technician. She completed her M.S. in Computer Science & Engineering from Anna University, Chennai in 2010. She has done research work on image

---

processing, signal processing, Neural network, Machine learning, Deep learning, Mapping and other areas. She has completed her Ph.D in Computer Science & Engineering from Anna University, Chennai in 2018. Her research interests include application

---

of machine learning techniques in areas of image processing and signal processing. She is also interested in data science and statistical analysis. Her areas of research include Image processing, Pattern recognition, text recognition and statistical

---

analysis. She holds a bachelor degree in science, with majors in Computer Science and Electronics Engineering. She has participated in various research conferences such as International Machine Learning Conference, International Joint Conference on Neural

---

Networks, International  
Conference on Advances in  
Signal Processing,  
International Journal of  
Applied Multimedia Signal  
Processing, International  
Symposium on Digital  
Signal Processing,  
International Workshop on  
Neural Networks and signal  
processing etc. Currently,

---

she is working as a software engineer in the India's leading software testing company named Q-Code Technologies.
