basically just a matter of getting your username and password and sending it to the admins. once you've got that sorted, you can login to the games online. there are lots
of games listed and you can login to each game page to download the game. everything is free. sometimes if you want paid games then you can watch ads or buy them for
real money. it costs nothing and doesn't take up much space on your phone. it's worth a try for sure. also - if you have any problems with the app, they are very helpful
and they will find the answer and fix it asap. i'm currently using version 0.12.1 i think there are about 40 different games on lop.login and if you get a chance try
google.login and try clicking on google.login >4. other than that, you will have to wait until next update. hope that works guys. ask if it don't, and if it works, if you like it,
please leave a comment and a : d.
