francine shapiro tackles
the challenging question
of how we can free
ourselves from the effects
of our painful pasts. she

takes us on a journey of discovery that will change the way you look at your past, your present, and the future, and that will change your life. the fao 2013 state of food insecurity in the world provides details on food price dynamics and food price volatility over the

past 20 years for each country in asia and the pacific. the report indicates that food price instability has grown over the past two decades, with india having experienced the most significant increases in food price volatility. this has resulted in a

significant increase in food price volatility among asian countries and the risk of food price shocks has risen, particularly in south asian countries (unescap 2012, table 4.5). the recent fao food price index for the region (unescap 2012, table 4.6) clearly shows a gradual

rise in food price volatility in south asia. the recent spike in food price volatility is also evident in food price alerts (the asia pacific food price index report shows that, in 2012, the india food price index (ifpi) increased by 4.8% over the previous year (unescap 2012, table

4.3). shapiro's book is a welcome addition to the literature on emdr and provides a helpful overview of how emdr works and what it can do for people. its practical and concise chapters are well-written and include many excellent case studies. it is an excellent

companion for anyone
who wishes to learn more
about emdr. - david
