I stayed in a hotel very early in the morning and was shocked to see my homosexual lover Mark laid out on the bathroom floor with a cum on his face. It turned out that the lovely beady-eyed guy was always a voyeur! Hey Mark, I went to get you some towels and you're having a cum facial. What the fuck? I hadn't seen that one coming. I was up for the challenge. I went back and came home in time to see you head to the bathroom and take a shower. I don't know if you could tell but I was super horny and decided to have some fun with you, especially since you started making out with me earlier. I slowly peeled off your clothes while you got naked and I saw that you were a very sexy guy. I decided to get naked and say a little prayer. I offered up a little personal prayer to God and asked him to bless my cock, this is a secret that you might not appreciate until years later but the reality is that I've been blessed with a very large dick. You smiled and grabbed me and you said that you missed our times together. As you sucked me, you told me that you knew about my secret and that I had to take this on the light side of things. You started to fuck me and you came all over the bathroom. It's not like we're perfect parents and sometimes we can't help but lose our moral ground and have sex with our own sons. I hope we are okay with our parental failings, we aren't perfect parents. We love our kids and we would never hurt our kids in any way, shape or
